

Bear Necessities

Chromebooks and Chargers

All students have received their Chromebooks and chargers. If a student damages or loses their computer or charger, the student is responsible for the costs associated with the repair or replacement. Unfortunately, we do not have "loaners" to hand out, so the student will have to do paper assignments until repairs/replacements are completed. Please go over the importance of caring for the laptops/chargers with your student(s). Students should talk to advisory teacher on process for repairs.

Bailey Parent Info Hub

This is where you can find a cumulative library of information from each weekly newsletter. We will add to it throughout the year and can be your "go-to place" to answer many of your questions day or night. We hope you find it useful.

Last chance for Lockers

Deadline is Sept 1st. Please have your student see Coach Brown for the locker request form to bring home.

Twilight Starts Sept 5

Twilight is after school tutoring and attendance repair.

When: Mon-Thur 4-5:30
Where: Library
Who: Open to all students

Staff Spotlight

Lara Brown

Coach Brown wears a ton of hats at BMS. Teacher, coach, dept chair, locker coordinator, FCA and is on district committees. Thank you for always stepping up to help. Your hard work and dedication to our kiddos does not go unnoticed.
