

# Bear Necessities

**BAILEY**  
MIDDLE SCHOOL

## Lockers and Hall Passes

**Students will be given instructions during the first week if they choose to get a locker. Deadline to request a locker for the year is Sept. 1st.**

**Students will have the opportunity to go to the restroom/ get water a minimum of 8 times per day, since we will have eight passing periods each day. There will be no hall passes given during the first 15 minutes or the last 15 minutes of each class (except emergency situations) to ensure students are not missing out on important instruction in a shortened 45 minute class period. Please contact your student's administrator if there are medical needs that would interfere with this policy.**
