

Week of October 8-12, 2018

Fire Drills and More

Drills are an essential part of making sure campuses are prepared for the many different hazards they may face. AISD conducts four critical incident drills. Campus evacuation drills (AKA -Fire Drills) must be conducted at least once per month when students are in class 10 or more days, as required by the State of Texas. Campus reverse evacuation drills, shelter-in-place drills and lockdown drills are conducted at least once per academic semester, as required by Austin ISD policy (CKC Regulations).

- Evacuation: Conducted for fire, bomb threat, or gas leak.
- Reverse Evacuation: Conducted for violence in the vicinity of the campus.
- Shelter-in-Place: Conducted only for inclement weather or hazardous materials release.
- Lockdown: Conducted for intruder or violence on campus.

Tip of the Week

Wondering if your student's absence was excused? Did your student pass that Math Test? You can find answers to those questions, and more, on the Parent Cloud. Log in to my.austinisd.org, then click the Parent Self-Serve Tile. Or, download the app from the [Google Play Store](#) or [itunes for iPhone](#).

Food Service Appreciation Week

At 5:30 in the morning, while most of our students are still in bed, the Cafeteria Staff begins to arrive at Bailey and starts preparing breakfast and lunch for the schools 1,000+ students. This dedicated, behind the scenes staff, has an amazing amount of experience, and several of them

have been here at Bailey for more than 15 years. Cafeteria Manager, Mrs. Brenda Ojeda, knows most of the kids by their name, just from them going through her line. A big THANK YOU to the entire team for taking care of our kids!

Thank you for making our Bonfire, Pep Rally & Homecoming Dance a Success!

We appreciate everyone who attended, volunteered, donated items and helped make a really fun night for our kids! So many parents, teachers, coaches, and custodians, along with Manchaca Fire & Rescue and our supportive surrounding community put in some long hours before, during and after. Thank you! We are truly grateful for all you do to make Bailey the great place it is.

LASA Visit

Representatives from The Liberal Arts and Science Academy (LASA) will be at Bailey during advisory (1:14-2:00PM) on Thursday, October 18th to visit with 8th grade students interested in attending LASA. For more information, please call 512-414-5272 or check the [LASA website](#).

Bailey Flu Shot Clinic

Did you sign your student up for the free flu shot clinic back in September? The clinic will take place on Thursday, October 25th. Students who turned in consent forms or filled out the online form will receive a pass to leave class and receive their flu shot.

Morning Drop Off

Just some friendly reminders to help us keep morning drop off safe. Please pull your vehicle up as far as possible, as directed by Bailey staff, have your students ready to exit quickly and make sure your student exits from the right side of vehicle. Unfortunately, we still see parents on cell phones during drop off. Please remember you can receive up to a \$200 fine for being on your phone.

Football & Volleyball games this week
