## Welcome Back to School!

Welcome to the 2024-2025 School Year!! The Bailey staff can't wait to welcome students next Tuesday, August 20th. There have been many updates to the school over the summer including air conditioning and a security vestibule courtesy of the 2022 AISD Bond. In addition we have added murals, banners and door wraps and look forward to even more modernization efforts in the future.

Relationships and open lines of communication will continue to be a high priority for me this year. You can expect this ONE PAGE newsletter each week of the school year to hear about our amazing staff, important information, and upcoming events. We will also be active on Twitter (now X), so make sure to follow us at @BMSBears. Looking forward to an outstanding year. LETS GOOOOOOO!
