Austin ISD Celebrates Black History Month

Join Austin ISD in celebrating Black History Month! Every February, to honor our Black students, staff and families Austin ISD celebrates Black History Month, a time to highlight the district's commitment to creating a safe, supportive and inclusive environment.

Black History Month provides an opportunity for deeper exploration of Black and African-American history than what is taught throughout the year. Each campus receives resources, and campuses are encouraged to collaborate with students and staff to design Black History Month activities that engage, educate and inspire.
