ONCE YOU'RE DONE, PUT UP YOUR GUN

Safe gun storage saves lives.
Follow these steps post-hunt to
prevent your guns from getting into
the wrong hands. Together, we can
KEEP 'EM SAFE, TEXAS!

FOLLOW THESE 3 STEPS TO SAFE GUN STORAGE

- 1 Store Firearms**
Store gun securely and out of sight using a safe gun storage device.
- 2 Store Ammunition**
Store and lock ammunition safely.
- 3 Restrict Access**
Keep others from getting access to stored firearms 24/7.

AFTER THE HUNT, MAKE SURE YOU CAN CHECK ALL THE BOXES!

- Firearms are stored locked using a safe gun storage device, such as a trigger lock, biometric lock, gun case, strong box or gun safe.
- Ammunition is safely stored.
- Access to stored firearms is restricted from unauthorized persons at all times, no matter where the firearm is located.
- All locking devices that use keys are in a place unauthorized users are unaware of.
- When a firearm is in a vehicle, it must still be stored safely.
- Safe storage of firearms is practiced at all times.

Parents and Guardians,

As we pause school for the holiday season, I wanted to take a moment to express my gratitude for your continued support throughout the year. It's been a wonderful semester filled with growth, learning, and many special moments at Bailey Middle School.

I hope that you and your family enjoy a restful, joyful, and safe holiday break. We hope this holiday season brings you joy, laughter, and peaceful moments, and we look forward to seeing your child back at school in the New Year!

Happy Holidays and best wishes for a bright

2025

-Mr. Lancaster
