

Bear Necessities

Bear Families,

We had a great second week of school. Kids are getting in a routine and 6th graders have pretty much figured out how to navigate the building at this point. If you have not sent in school supplies, please get them in as soon as possible. Click [HERE](#) for the grade level supply list

Chromebooks were distributed this week. Students are responsible for the care of their chromebook and charger. Lost or damaged Chromebooks/Chargers will incur a fee. Please read the AISD Student Responsible Use Policy [HERE](#). Your student will bring the last page home for your acknowledgement and signature.
