

Bear Necessities

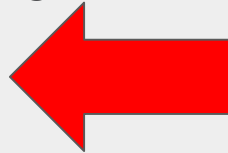

Austin ISD has contracted with Stetson and Associates, Inc., an educational consulting firm, to provide an audit of the AISD Child Find process in place to refer and evaluate students for possible special education services. The survey is intended to gather parent input related to the effectiveness of the current system and possible ways to improve the system. Please take a few minutes to complete the survey. The survey will be emailed directly to qualifying families from Stetson & Associates. Please be on the lookout! We value your feedback.
